

HANNAH EDWARDS

Cancer Appeal – please dig deep to support her

Hannah, is a normal fun loving, out going, cheeky 8 year old apart from one aspect of her young life. Hannah is fighting Neuroblastoma, an extremely rare and aggressive form of childhood cancer. Only about 100 children are diagnosed with this disease in the UK each year.

Hannah re-lapsed shortly before
Christmas
2006.

Currently the only place in the world that can truly help children like Hannah fight against this disease is America. Unfortunately for us to be able to get Hannah over there for treatment the cost is estimated to be in the region of £750,000.

Without the support of kind and generous people and organisations, such as you, our chances of getting Hannah over to America for this possibly life saving treatment are non existent.

So many fundraising events have happened already, and only through the help and dedication of friends, family and colleagues have we managed to raise £125,000 so far towards our target of £750,000. Hannah is currently on oral chemo and is stable, there is no further active treatment available in the UK when she becomes symptomatic, only treatment to relieve her pain.

With your support anything can be possible, please give generously.

Further information about Hannah and her fight against Neuroblastoma can be found at: www.hannahedwards.org.uk or www.nsoc.co.uk.

Events have included the London Marathon, Try a Tri4 charity Triathlon, Dragon Boat racing, the three peaks challenge, Fun days, Auctions, Cricket and Football tournaments, cake sales and so much more. But we still have so far to go and this year the following events are already planned so why not take part, or come along and support us or simply sponsor us:

Clare, Hannah's mum and a member from her running Club, Debbie, are running the **London Marathon** on **26th April** – look out for the pink and white running vests and the ginger hair!

On the **4th September** a team of us will be embarking on the **Three Peaks Challenge**.

September also sees the **Dragon Boat racing** at Bewl Water, Lamberhurst, so why not come along for a fun day out and cheer us on – **13th September** is the date for your diary.

Team Hannah will also be taking part in the **London 10K run** – please keep an eye on Hannah's website, www.hannahedwards.org.uk for more details of this and many more events that you can support us with.

Every little bit of help counts, so if you want to get involved why not drop us a line through Hannah's website – it doesn't have to be much as every penny counts. Any donations, events organising or support are gratefully received in order to get Hannah the treatment she needs and deserves.

Thank you for your time and your efforts
